### **Campers:**

You will enter at the main gate and then be directed to the camping area near the main exit, shown on the site map. Recreational vehicles, trailers, and tent campers must set up in the Campground. There will be a \$10 per night fee (\$15 per night with power) for each site plus each day's admission fee of \$10.00 per person. Some electric setups are available, on a first come, first served basis. Volunteers will have to pay the camping fee of \$10.00 or \$15.00 for night camping.

Anyone who flies in may camp "under the wing" free of charge in the designated area.

PETS CANNOT GO OUTSIDE THE CAMPGROUND AND MUST BE ON A LEASH AT ALL TIMES.
