

Suggested Ultralight Arrival Procedure

- Runway 7-25 is closed by NOTAM from Thursday evening until Monday morning
- Grass runway 7-25 (2500 feet) is available for ultralights, antiques, and gliders
- Sunday, between 1 and 2 PM, the airport will be closed by NOTAM for the airshow

36° 42.207N
76° 39.806W

The initial point is a warehouse south of Route 58 west of Suffolk

Fly on a heading of 100 degrees toward the end of the freeway north of SFQ at an altitude of 500 feet.

Keep a single file with other ultra lights. At the end of the freeway, US 13 Bypass, make an entry for right traffic to grass runway 25 and left traffic to grass runway 7.

Runways 7 – 25 will be closed during the fly-in.

WARNING: There may be skydiving activities in the area.

WARNING: Do not overfly those areas shown in the photos below.
